

NOTICE:

Public Health in Vulcan County is now advising residents to avoid High River and Okotoks due to high levels of COVID+ cases. Vulcan Hospital is now doing drive through COVID testing.

If you have any symptoms of cough, runny nose, sore throat, fever or shortness of breath please follow these steps:

1. Self-isolate (do not leave your property except for COVID testing)
2. Complete the AHS self-assessment tool online myhealth.alberta.ca/Journey/COVID-19/
3. If directed to get tested DO NOT complete the online form. Call Vulcan Hospital at 403-485-3333 and they will schedule you for drive through testing at the hospital.
4. Please indicate who your family physician is when you are being tested so that they will receive a copy of your results.

For more information call 403-485-3333
