

Vulcan County Regional Emergency Management Partnership

March 13, 2020

RE: COVID-19

Vulcan County Regional Emergency Management Partnership is currently monitoring the COVID-19 situation in Alberta. We believe that by being proactive, and following the directions from Alberta Health Services and the Government of Alberta, we can help prevent the spread of COVID-19. Please follow the guidelines below and watch the Vulcan County Regional Emergency Management Partnership municipality websites for further updates.

The Government of Alberta is asking organizers to cancel any events that have more than 250 attendees. This includes large sporting events, conferences and community events. It does not extend to places of worship, grocery stores, airports or shopping centres. Any event that has more than 50 attendees and expects to have international participants, or involves critical infrastructure staff, seniors, or other high-risk populations should also be cancelled.

At this time, schools and daycares can remain open but steps should be taken to ensure that no more than 250 individuals are in the same room at any given time.

Effective March 12, 2020 all Albertans who are currently outside the country should self-isolate on their return for 14 days, independent of the country they were visiting.

If you feel unwell, or have questions about your health and the COVID-19 pandemic, please view the [Health Link 811](#). All Albertans are encouraged to visit [alberta.ca/COVID19](https://www.alberta.ca/COVID19) for the latest information, guidance and resources.
