

# Council Update

2026-04-28

The Village Office is undergoing several exciting changes. As many of you know, Alex Whittington is stepping down from the role of Chief Administrative Officer (CAO). The Village Council extends its sincere gratitude to Alex for her dedication and service, and wishes both Alex and Cody luck, and all the very best as they begin their next chapter.

McKenzie, who has been working alongside Alex as Administration Assistant, has proven to be a valuable team player and a strong asset to both the office and the community. Her passion, commitment, and knowledge make her the ideal choice for the position, and Council is pleased to announce that McKenzie will be stepping into the role of CAO.

Council is also excited to welcome Kathleen Stokes to the team as Administration Assistant. Kathleen has been a familiar and friendly face in the community through her work at the bank, where she has consistently provided exceptional customer service. Her enthusiasm for community involvement, along with her extensive experience in fundraising and support initiatives, will make her a wonderful addition to the Village team.

### **Message from Alex:**

“I would like to sincerely thank all community members for the opportunity to serve this wonderful community. It has been a privilege to work with so many of you, and it has truly been an amazing experience. Thank you.”

Sincerely,

The Village of Lomond Council

And

Alex Whittington
